9th December 2024 – Limited Space

3rd March 2025 – Good availability

1st July 2025 – Good availability

Details

Online or Classroom.

Hybrid TRI Refresher Seminar

Since December 2019 the TRI revalidation requirements have changed. All TRIs must now complete 2 out of 3 of the following items:

Conduct one of the following parts of a complete type rating or recurrent training course: simulator session of at least 3 hours or one air exercise of at least 1 hour comprising a minimum of two take-offs and landings;

- Complete instructor refresher training as a TRI(A) at an ATO;
- Pass the assessment of competence in accordance with point FCL.935.

The refresher training can consist of an approved refresher seminar. Lupus Air Services is approved to offer these.

They take the form of a **one day Seminar** which can be done remotely via an online link or you can attend in-person at our Henley Facility.
